ABOUT US

SMA Stainless is a Dubai based sales representative company of the largest and most dynamic Stainless-Steel Manufacturers and Exporters of India– **Sunrise Group**, in the Middle East & Africa.

Sunrise Group is a well-diversified group serving as a conglomerate of subsidiaries in the stainless-steel industry for over 40 years and has ventured into manufacturing varied stainless-steel products in the Domestic & International markets. Our subsidiaries include companies like **Steelora** – the stainless-steel architectural division, **Sun Mark Stainless** – the production facility of stainless steel welded/seamless pipes and tubes, butt weld fittings, coils and bars & **Chromeni Steel** – the stainless-steel coil producer, having a joint venture with Tsingshan Group (the largest stainless-steel producer in the world).

MISSION & VISION

Vision

With Sunrise Group's 40-year legacy guiding our principles, we aim to be the industry leaders in stainless steel, while being a commercially & morally responsible organization that provides value to our team, clients, suppliers and the sustainable communities we aspire to build.

Mission

We are dedicated to providing the highest-quality and sustainably-manufactured stainless steel to the industrial & architectural sectors of Middle East and Africa. Our stainless steel is manufactured using procedures that meet the most elevated global standards of environmental control.

“

***The finest steel has
to go through the
hottest fire.***
